We bring new friends,

show friends how much we care

Meeting new people, seeing old friends, homecoming, winter spirit week, classes, teachers, going to dances, getting together and just having a good time — special friends are always there when you need them.

To capture all the memories of school year, 1981-1982, we bring you . . .

Days filled with many memories . . . a victorious homecoming, Lynn as Queen, spirit week and an exciting evening pep assembly, a cross country runner qualifying and placing in the state meet, the JV team who rolled over their opponents, and the band returning from camp with tons of new ideas to excite the fans during halftime. Good friends always put the finishing touches on these memorable events.

Academics provide impressive experiences

Five hours each day, each student faces a variety of academic challenges and experiences. Combining student enthusiasm and teacher excellence, each student worked to achieve their potential. Tight schedules due to cutbacks and dropped classes provided further challenges for students and teachers to keep the variety of academic experiences wide enough to meet the needs of each student.

Wild week sparks spirit

Fitting together all the crazy things that went on during Spirit Week is a challenge. Every hall abounded with new and crazy outfits and lots of funny memories.

Hawaiian leis filled the halls as the juniors competed with Texas seniors for honors on dress up day. The sophomore and freshman themes of Saudi Arabia and Egypt provided a bit more of a challenge to those classes in the way of costumes.

Student Council faced the challenge of organizing the entire spirit week this year. With the elimination of class advisors, it was up to the students and Mr. Craven to get all gym decorations made and up as well as build the floats for the pep rally.

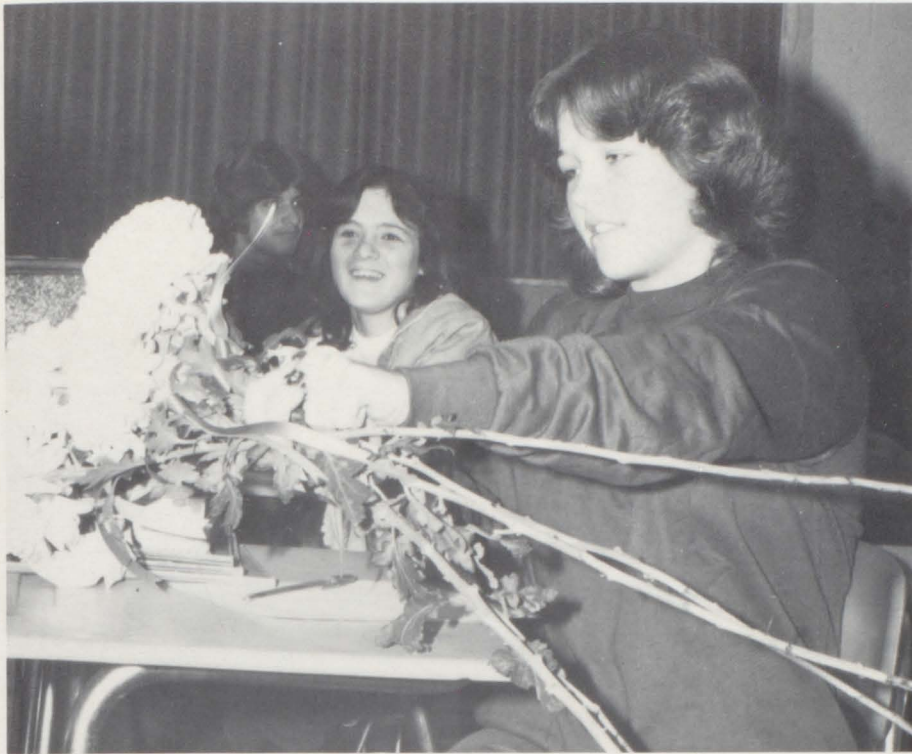

One of the high points of the week was the Wednesday night Pep Rally organized by the cheerleaders. "Everybody there was rowdy and fun but not out of hand." (Shelley Neff)

A good thing about spirit week is "everybody, including the teachers, lets loose just a little" (Gina Greene).

Crazy days — fun filled week!

Crazy days and tons of spirit work together to make a fun filled week. Fall '81 was no exception as the school came alive. Spirit jug competition, dress up days, the annual mum sale all combined for an exciting five days.

Monday was hat and tie day. Underclassmen i.d. pictures were also Monday leading to some humorous i.d. cards. Tuesday was t-shirt and jeans for everyone. Wednesday was theme day. Students were given points for every person who dressed to their theme — freshmen — Egypt, sophomore — Saudi Arabia, juniors — Hawaii and seniors — Texas.

Wednesday night was the exciting pep rally organized by the cheerleaders. Judging on floats and gym decorations took place at this time.

Thursday was suit coat and shades day and Friday saw spirited students in blue and gold.

The culmination of the week was the game and halftime on Friday night. Lynn Bartolomucci began her reign as this year's queen and the spirit jug was awarded to the senior class. Final totals were: seniors — 347 points, juniors — 269 points, sophomores — 196.5 points and freshmen — 91.5 points.

Crowning concludes exciting week

October 16 was a night to remember for everyone. Lynn Bartolomucci was crowned Queen and the football team won their game trouncing Imlay City.

After the weeks of suspense, the results of student voting were announced. Lynn was shocked, surprised and in disbelief. "I really didn't think that I had won. It didn't hit for a few seconds. Mike started shaking my arm and my parents came up crying. They were so excited."

Spirit week competition was hot all week, but senior stamina and spirit finally triumphed with the class of '82 taking possession of the Spirit Jug.

Varsity moves ahead with late season surge

New coach Tom Witherspoon assisted by Bill Koltz worked vigorously with this year's team.

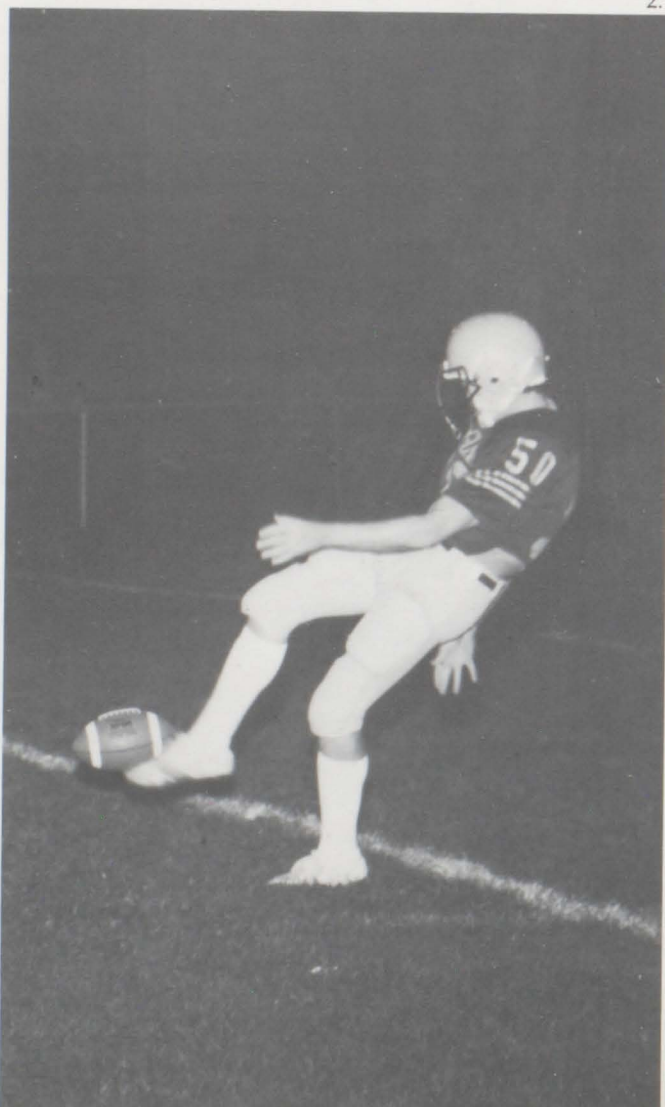

Before a large Homecoming crowd, the Varsity defeated Imlay City. The last two home games provided exciting victories, particularly the last game against New Haven, 59 to 8. The game was played in the coldest weather of the season which drove the fans to blankets and the team to an outstanding victory.

Ken Toth was selected as First Team All League along with Shawn Gough. Players receiving honorable mention were: Mike Winkler, Pete Daniels, Jeff Moran, Ron O'Toole, Cliff Wierszewski, Rob Doan, and Steve Cope.

Record breaking season with four shut-out games

JV Muskrats ran over their opponents with the best football record since 1973. The team won six games and only lost two. The best game was with Imlay City when the score was 47 to 0.

"Part of what gave the team the advantage was having freshmen on the team which gave us depth and more talent." (Coach Dan Shafer)

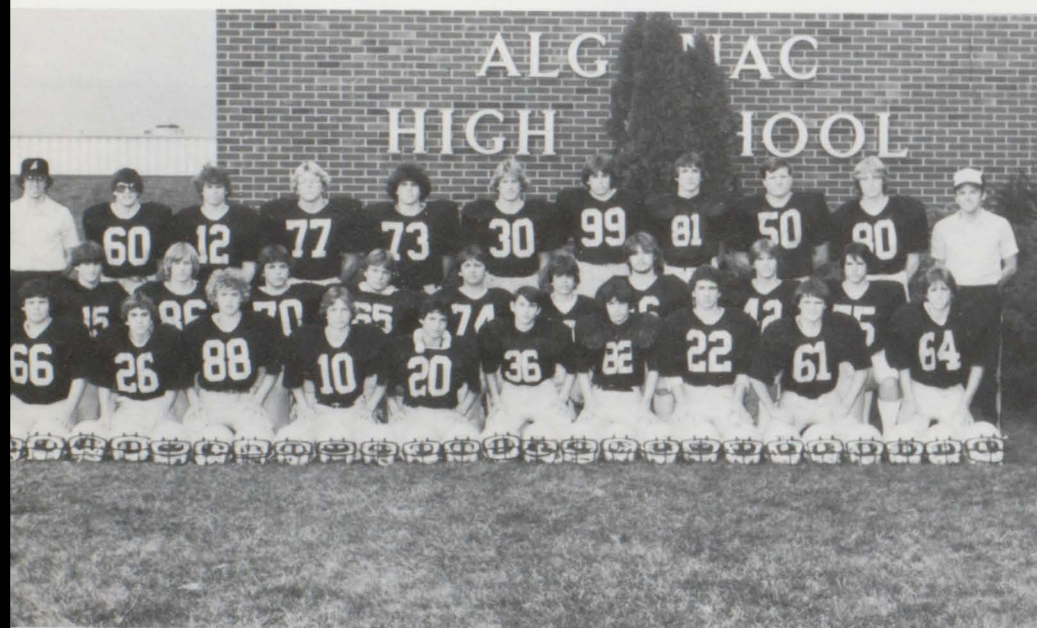

It was a total team effort that produced the season. Linemen opened up holes for running backs and the defense was aggressive.

Pat Huff and Devon Hinkle led the team in rushing with over 1,000 yards. Dan Doan was the leading tackler on defense.

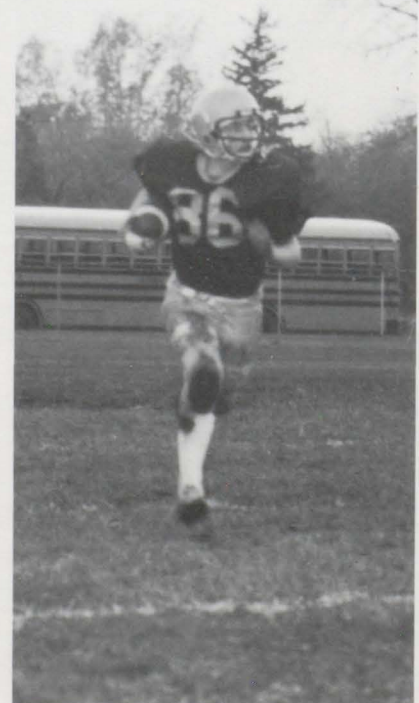

Other strong players who contributed to the season were: Tom Licari, Jay Wood, Gary Smith and the offensive line.

Fast moving team provides challenges

An outstanding defensive unit sparked by senior co-captains, goalie Bev Kozel and fullback Sue Monte led the field hockey team to another successful season.

Kris Foguth's swing play led the strong offense in the games.

Fall '81 met with the worst rainy season in 55 years. This provided a challenge to the team as indoor practice is nearly impossible.

Field hockey is a fast moving sport with the action keeping the entire team on guard all the time. Team awards went to the following: Captain's awards: Bev Kozel, Renee Mehl, Sue Monte; most improved: Donna Boyer; and most sportsmanlike: Sue Monte.

Cross country season produces excitement

The Cross Country team had a good start, but injuries fell upon the team. However, the remaining members pulled together to place 3rd in the league.

Records were broken by: Bobbie Sue Johnson in the 3 Mile (19:24) and 5,000 meter (19:48) and Otis Pate who broke the 10th grade boys' record in the 3 mile with 16:41.

Awards were given to Bobbie Sue Johnson, All Area 1st Team and 15th in State Meet; Otis Pate, 2nd Team, All Blue Water Area and 2nd Team, SCAL; and Steve Johnson, 2nd Team, SCAL.

Coach Roger Avers says that Bobbie Sue making it to the State Meet made everything special and worthwhile. For Bobbie Sue: "It was a new experience for me. I felt it was exciting running against girls who I knew were good, but never ran against before."

"We ended up with a pretty good team, even with all the injuries." (Kevin Schulte). Kevin Schulte, Brian Percy and Jim Cetnarowski all had injuries during the season.

Golfers show strong finish at league meet

A young and inexperienced Golf team hit the links this year. In spite of this, the team had a very successful year. Practice was hampered by a wet Fall which prohibited the team from getting the time they needed as a group.

The season results were good. The team won three matches and finished in tie for 4th place. At the league meet, they shot their best golf of the season, finishing only ten shots out of 3rd place.

Geography presents a few problems for the Algonac golfers. There are very few courses that are open to the students for practice in the area.

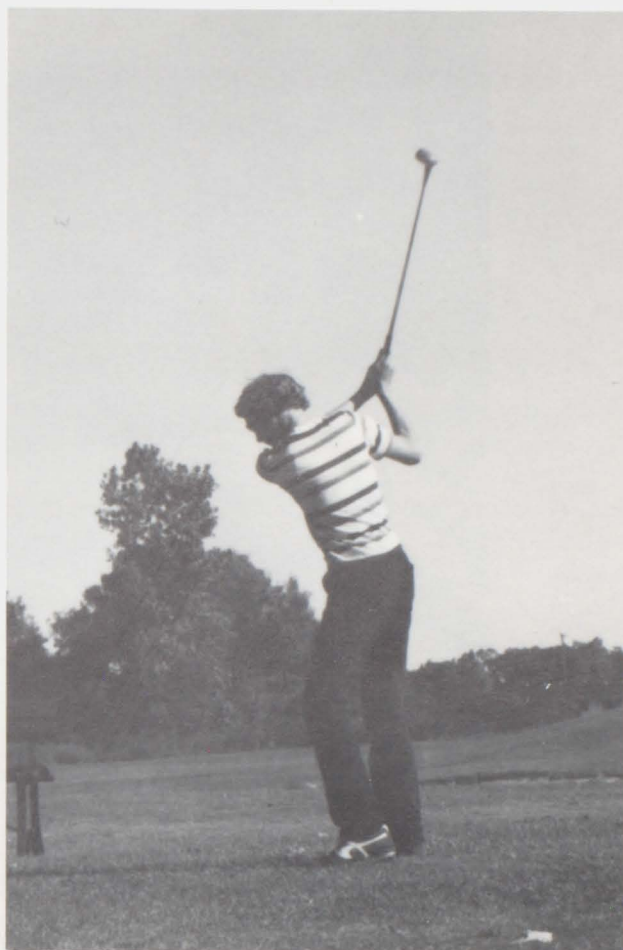

Next year presents a lot of promise with four out of five golfers returning. Pat Folkerts was the most consistent golfer and most valuable player. Eric Wilhelm, Gary Roberts and Brian Johns made up the starters for most matches. Jeff Allegoet was the most improved golfer.

Hustling varsity leaps to victory

Competing in a tough SCAL league this year, Varsity Basketball met and triumphed over many challengers. The girls succeeded in soundly defeating rival Marine City 60-39 in their best game.

"We had a strong team and pulled together; even if we had our ups and downs, we stuck together and that's what it's all about." (Lori Beauregard)

Coached by Steve Young, the varsity was one of his best teams. "I started coaching JV when the seniors were freshmen, so they are a special team to me."

Team awards went to: Kim Busuttill: Captain's Award, Special Mention All League, Assists Award; Adrienne Quennville, Team Player Award; Diane Lang: Most Rebounds, All League Special Mention; Lori Beauregard: All League First Team, Free Throw Award.

J.V. team gains discipline, spirit, skill

Attitude and reaction to pressure contributed to the success of the JV Basketball team. "They never gave up, which led them to win many of the games we would have lost last year." (Coach Dave Dodge) Isolating the most valuable player on this team is difficult because the entire team constantly gave of themselves. Julie Petrovich was high scorer, Charlotte Kasperowicz — top rebounder, Bonnie Sygit — best defensive player, and the entire team — most valuable players. The team had a better attitude and didn't crumble under pressure. "The games we won we earned and the games we lost we knew what we did wrong and tried to correct it." (Colleen Meldrum) "This year's team was better because of more self discipline." (Cyn Petit)

Equestrian team captures second place in state championship

In its first year, the Equestrian Team captured second place in the Class B State Championship on November 1st at Willow Run in Mason. Besides the Class B State Honors, Algonac also won the District Championship for Class B Schools.

Seven enthusiastic riders make up this team. For 10 hours they compete for points in 15 events including Saddle Seat, Western, Hunt, Equitation over Fences, Bareback, Flag Race, Trail, Cloverleaf, Speed and Action, and Two Man Relay.

Enthusiastic parents and team members motivated the success of this team. Working with the group at meets, one was struck by their dedication and commitment. "It's always a thrill to win any event for which one has trained hard for a long time, but for our riders to win the District Championship in the first year of competing is an impressive achievement." (Coach Bernie Lezell)

Many aspects of the season were outstanding, but perhaps the most impressive is the individual growth for each member. "The most rewarding part of competition is knowing that you've done your best." (Becky Muller) "The most difficult aspect is fitting and showing because you have to stand still with your horse." (Denise Fett) "One of the remarkable things about this year is that we did so well in our first year." (Debbie Fisher)

Cheerleaders build AHS spirit

Spirit, enthusiasm and smiles are only part of being a cheerleader.

It all starts at tryouts where dozens of girls gather and learn different cheerleading techniques. At try-outs they are judged by faculty members on their performance and ability to work with others. The girls are then chosen and practice starts.

At games the cheerleaders try to get the team and the crowd rowdy. During an exciting game you can feel the energy in the crowd. They add sparkle and enthusiasm all season.

To capture a memory

*We find that friends
make times special*

Winter '82 . . . days of ice, snow and extreme cold. The Midwest was battered and we found ourselves listening for school closings. Two serious storms in one week caused schools to be closed for most of the week.

Activities kept us going. The basketball and wrestling teams were on top and spirited activities added to our days. BOEC was again successful at Regionals, Student Council sponsored a winter spirit week and the Band competed in festivals.

In spite of feeling frozen, we had many fun days and many memories to keep.

Second annual assembly entertains spirited crowd

On Friday, November 13, students packed the gym to cheer on the teams, laugh at the antics and have a fun fifth hour at the Rat Review's Almost Anything Goes.

Teams competed in many contests including the pie passing contest which quickly turned into a pie throwing contest with the pies on people and the floor.

One of the most exciting matches was the annual tug of war with the sophomores exerting the most muscle. They quickly defeated all of the other classes and went on to soundly defeat the confident faculty. "It was great and it really held everyone's attention." (Dave Kensora)

Winter wacky week wakes up weary days

Feeling a need to break up the winter blahs, Student Council decided to bring some excitement to the middle of the school year. After a snow day on Monday, Winter Wacky Week began with sweatsuit day on Tuesday. Wednesday was the annual Varsity Club slave sale. Thursday was slave day and Friday the semi-annual blue and gold day with a pep assembly. French club added to the uproar with a sea of balloons all day.

Slave sale and slave day are definitely the most exciting. Exceptional slaves stunned the school like Rick Vernier who wore a sexy tiger outfit complete with four inch heels, and a mink wrap with accessories. Dave Sauber went Hawaiian for the day with a bright flower suit, grass skirt and a long black wig. Kenny Toth portrayed the exotic art of belly dancing. Creative owners worked to make sure that their slave was the best dressed.

Active Student Council keeps activities going in challenging year

1. Ann Kasperowicz and Mr. Craven help organize the Student Council activities for Winter Wacky Week.

2. Homecoming mums are a special part of the festivities. This year the Student Council sponsored the annual sale. Jackie Peters and Diane Lang pass out the mums.

3. Dress up day involves a lot of preparation to accurately carry out your theme. Krista Sudberry helps Diane Schultz get ready.

Cutbacks affected the Student Council seriously. Class advisors were eliminated, so that only essential activities went on for classes. Sole faculty responsibility fell on Mr. Craven, Student Council advisor.

Student Council members pulled together as a strong group. Led by Ann Kasperowicz, the group organized Homecoming, Skating parties, Spirit Week, assemblies, Winter Wacky Week and the Prom.

"Seniors really put the extra effort in. They helped the group be so successful." (Mr. Craven)

Throughout the year, criticisms surfaced against the Student Council. However, as a group they were one of the strongest in years. Something different once a month was a goal that S.C. worked toward.

Adjusting to changing activities, fewer classes, fewer extra curricular happenings, Student Council tried to build morale and keep things busy.

NHS recognizes high achievers

On Monday, December 14, the National Honor Society officially initiated its new Junior and Senior members.

The N.H.S. is composed of juniors (3.5) and seniors with a 3.2 grade point average or better and outstanding character, service and leadership qualities.

Two of the functions throughout the year were the N.H.S. Induction Ceremony with Mr. Dodge as guest speaker and the Senior Breakfast in the spring.

"I feel privileged and proud to be in the National Honor Society. I feel all the members worked hard and deserve to be at the top of their class." (Elaine George)

Active BOEC members keep spirit alive and capture top honors at Regionals

Algonac ranks as one of the strong chapters in the state. Cheers echoed at Baker Jr. College as Algonac is again recognized for a large number of winners in regionals. In May, 1981, the BOEC Scrapbook took 3rd in National Competition.

Besides preparing for competitions, members were active in school activities. They sponsored Mr. Muskrat, sold luv-a-grams, and Santa grams, sponsored the Halloween Safety Poster contest, Teacher Appreciation Day, Parents' Night, and activities for Woodland Center and Faith Medical.

Rat review informs

After completing Journalism I, students receive the chance to be promoted to the Rat Review staff. Daily they research stories, take pictures and try to keep updated on all school activities.

Advised by Dan Shafer with Paula Jaros as editor, Rat Review members found a strong staff developing this year. "There are many different types of people on this year's staff. All have their own ideas and are very hard working." (Julie Lauzon)

"This group really seemed to be able to work together and they also enjoyed just being together and having a good time." (Paula Jaros)

The experience is valuable for each individual staff member. "I feel it has made me look at both sides of issues and I want to gain more experience in the field." (Tom Durik)

Remembrance staff captures memories

Beginning in September and continuing all year, students ask . . . when is the yearbook coming . . . and the traditional reply is . . . when we get it done!

Getting it done is the big challenge. Staying hours after school, the staff begins the process by handling group pics, taking pics, selling ads and candy and books, missing classes, interviewing, concession stands, cleaning the field, doing layouts, putting layouts on quads, writing, rewriting, retaking, searching for ideas and trying to accomplish the final tasks with school closed for nearly a week due to snow.

Staff membership involves dedication: "Looking back at the book when it is done, is knowing you have accomplished something big — all the work pays off." (Karen Stager)

'82 faced a few changes this year. With the largest number of returning staff members, an editorial board was organized to make major decisions.

Aiming for the final February deadline, the staff faced many long nights. However, once February was past, the job was not done. Name stamping and inspecting remained before you received this book.

"Being on the staff gives me a special sense of pride to know I helped preserve memories." (Tammy Baker)

Fundraisers: Supporting school activities

Fundraisers play a key role in all clubs sports and organizations at AHS. Various sales, assemblies and other money makers give our organizations the finances to make our school an exciting place.

Marching Band used the funds from the candy, cheese, and sausage sales to finance band camp and new majorette and precisionette uniforms. The French club stationery and bake and popcorn sales are helping to raise money for a trip to Quebec just to name a few events.

Some students feel left out from after school activities, yet whenever they purchase a donut, bagel, candy bar, bag of popcorn they are supporting the organizations and helping to make them a success.

Practice, precision leads to excellence

Band groups have had an exciting and busy year. Participating in this group is an honor. The band in their matching t-shirts is a source of pride throughout the building.

Band Camp, located at Twin Lakes, MI, was an important event for band members last August. The routines, discipline and creativity developed during that week were evident all year long.

Sponsored by Detroit Edison, the band was one of the stars of the Detroit Thanksgiving Parade giving Santa a rousing welcome.

Majorettes and Precisionettes add a special glow to the band. This year with bright new uniforms they added an extra special touch.

Leading band groups this year are: Drum Major: Mark Calcaterra, Majorette Captains: Jori Taylor and Angie Astemborski,

Precisionette Captains: Annette Gallo and Ann Kasperowicz. Band officers were: President — Karl Malik, Vice President — Tammy Santavy, Secretary-Treasurer — Janis Matthews, Librarians — Dan Kramer and Denise Allen.

Active only begins to describe the talented Taft Road Jazz Society. Their skills are in demand for such events as the St. Clair Association Travel Series, National Honor Society Induction, Dinner Dances and Roast Beef Dinner.

Musical sounds abound

Playing to a full house, the choral groups again entertained the Algonac Community and put everyone in a special Christmas spirit. The addition of the new microphones, financed by the fruit sale, provided the extra touch of class to the performance.

This year, due to cutbacks, the groups were limited to two hours in the high school with Mixed Chorus and Ensemble. Both groups were under the direction of Dennis McMaken. This year both groups worked strongly with acapella singing and more solos.

Ensemble, also known as "Rainbow Connection" is continuing to grow in popularity. The group enchants anyone who listens with their talent and their creative method of presenting the music.

Exchange students go American

This year at Algonac we have four new exchange students: Erik Skoglund, Koulis Poulakis, Jorge Duran Frez and Andy Baer. The students like the school and say that back in their countries school is much different. "In Chile we have to take 12 subjects and only music and art are elected." (Jorge)

The school is harder in Sweden and the day is longer. We don't have exams, Saturday school and you don't need a pass to be in the halls." (Erik) Algonac High is larger than my school and has more school spirit. (Koulis)

There are a wide variety of cities that these students call home. Erik lives in Uppsala, Sweden, Koulis lives in Hamburg, West Germany, Jorge lives in Calama, Chile and Andy lives in Berlin, West Germany.

Their American homes are Erik with the Fehlman's and the Peterson's, Koulis with the Schulte's, Jorge with the Brown's and Andy with the Corry's and the Peterson's.

All are adjusting to their new land very well. Being so far away from home the students miss their friends, families, pets and girlfriends. However the experiences of the past year overshadow any loneliness.

Occupational opportunities

On the job training is a strong part of the Skill Center program. Located in Marysville, the area trades program services the St. Clair County Area. Daily students spend 40 minutes on a bus traveling to their practical training experience. Classes in auto mechanics, stenographic fields, medical fields, repair, welding and many others provide realistic training situations that is a valuable learning experience while in high school.

Experiences in Accounting have been valuable for Sue Smith. "It has helped me learn more responsibility and to follow my own schedule." Building construction provided practical trade experience for Steve Tuzinowski. "It's a good deal because they teach you a lot about your trade." Cosmetology has been beneficial for Terri Draves. "I love it!" It gives me a chance to meet new people. I have to have a degree to take state boards and that is what they are preparing me for."

With the high school five hour day, morning skill center students find themselves in class an extra hour and then waiting for elementary and junior high buses to pick them up. Despite the problem the Skill Center is well worth the time of each student involved.

Varsity dominates basketball court

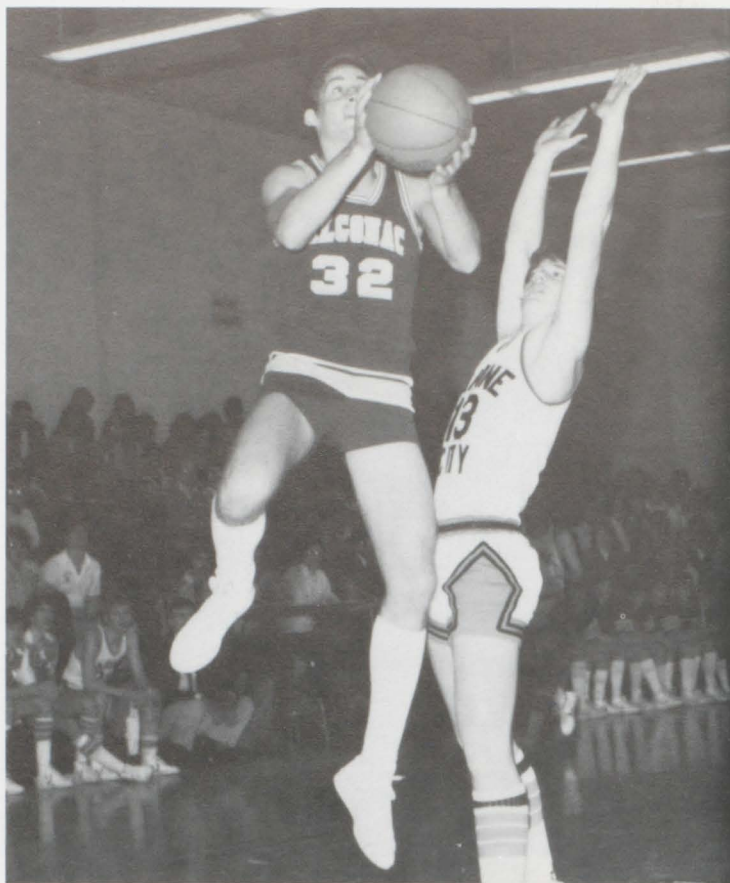

Strength, talent and commitment again made Algonac a powerful team in the SCAL.

Facing a tough SCAL schedule, the team did very well. "A lack of experience on the bench and a lack of intensity at critical times caused us to lose some we should have won, but over all it has been a successful year." (Coach Jackson)

With the strong skill of Bob Kosnik, Jeff Kodet, John Davidson, Ken Toth, Devon Hinkle and Shawn Gough the team combined to be an awesome power to all opponents.

Exciting games were common as AHS battled Marysville all season for the lead.

Bob Kosnik also made history by placing on the Associated Press Class B All State Team. He is the first athlete from AHS to make a first team all state.

J.V. squad exerts team effort

High spirited describes JV Basketball '82. Coached by Bill Koltz, the team is a strong group. They had two returning players, Paul Wetter and Rob DeLange who helped the team considerably.

Player experience was developing all season. Dave Tuzinowski and Tom Licari were chosen as Most Valuable Players. Ed Bernardi functioned as a key member of the team providing not only talent, but spirit.

The Richmond game provided one of the most exciting games with the team providing many challenges to opponents. With the strong talent on the team, they are a great asset to the program of excellence.

"Winning was the best part of the season. We started off the season slowly but we didn't let that get us down." (Rob DeLange)

Team effort ignites season

Varsity Volleyball players have developed into a strong team. They worked together, learning to trust each other. They became a strong force in the league. Coach Jan Kelley moved up to Varsity with her players. The knowledge of each of the player's skills helped mold the team. Talent is evident in all players with Chris Knight being recognized for skill and Laurie Moehlman an important force in motivating team spirit and all around player.

"With many new players to varsity, we had to work harder, however we've played together in the past and know each other's abilities. This helps us play as a team." (Sue Monte)

JV captures first place

Strong players and a strong season are a part of the JV Volleyball team. "They have a strong group spirit, work hard and want to learn more about the game." (Coach Robin Sachs)

Strong players include: Jean Rolewicz, Debbie Johns, Lesley Loeffler and Diane Soulliere. The entire team worked together to keep the enthusiasm and skills strong. With new coach Robin Sachs, they became one of the strong forces in the league.

"Team work is a very important point. Robin Sachs has been very strong with us. She has helped us pull together as a team." (Lesley Loeffler)

Muskrats clinch wrestling title

Wrestlers are again the dominant force in the SCAL and ranked in the state in Class B. The league title was their sixth in the last eight years.

"The team is well balanced. Our main strength is in the middle weights. We have good wrestlers in all weight classes. 11 of our 13 varsity members have winning records." (Coach Wight)

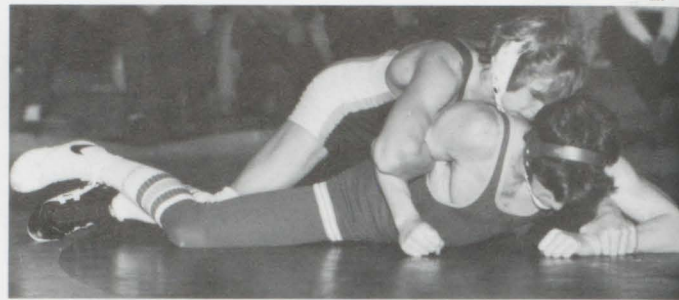

With an entire team strong, it is difficult to

single out individuals. However, Gary Shorter set a record with the fastest pin (6 seconds). Phil Biland, Ken Biland, Andy Montgomery, Dave Boyer, Steve Allegoet, and Larry Buhagiar were recognized as strong players.

"It has been a very good season — about as successful as any top rated team in the state. Everybody's individual efforts made it an important season." (Mike Humes)

Laura M. Hart

Laura Marie Hart, age 17, died unexpectedly on August 4, 1981. She was a truly kind person and a good friend to many.

Laura was very active during her high school years. She was involved with Student Council as a representative during 9th and 11th grade. She was elected class secretary for her senior year. She was also cheerleading captain and on yearbook staff in her freshman year.

Laura devoted a considerable amount of her time to class activities. Because of her commitment, the class of '82 has dedicated a Laura Hart Memorial Award. The graduating senior who shows the same qualities and devotion that made Laura stand out will earn this award.

Laura has touched many of our lives in special ways. Everyone who knew her loved her and will forever miss her.

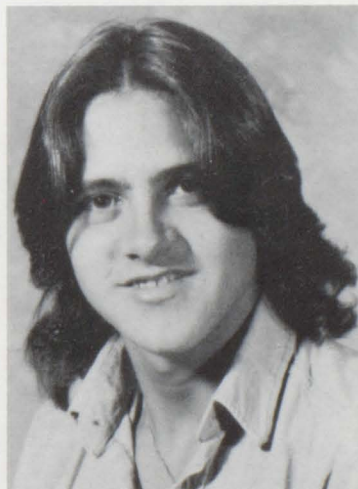

We won't say good-bye, but we will say "until we meet again, in Eternity . . ."

(Laura Lauzon and Kelly Morrison)

In life's brief course
Lie all the varieties and
realities of existence
The bliss of growth
The glory of action
The splendor of beauty
Look to this day!

For yesterday is already a dream
And tomorrow is only a vision
But today well lived,
Makes every yesterday a dream of
happiness,
And every tomorrow a vision of
hope.

Robert P. Asunto was fatally injured in a traffic accident on March 28, 1981. The shock of his death affected the student body tremendously. Bob was a fun loving person with a large number of friends. His loss among the class of '82 is deeply felt.

Speech requirement changes attitudes

Speech was a learning experience . . .

I learned how to write a good speech and present it correctly. Also, I learned how to overcome nervousness about talking to large groups. (Mary Sygit)

We learned a variety of things from a little taste of public speaking to a little theater. (Joe Soboleski)

We learned about plays, speeches, being on t.v. and what to do in plays and acting. (Jerry Roland)

I've learned how to give interviews, say speeches, read a poem in front of the class and eye contact. (Brenda Jaster)

Administration faces economically tough year

Throughout the year, the Administration and School Board tried to deal with the economic problems. Cutbacks in state aid and declining enrollment forced many changes in the school.

With all the problems, the Administration tried to arrange the schedule so that the students could get the classes they wanted. (Mr. Ford)

Student attitude throughout the year has been positive. Schedule change second semester ran smoothly. "Students seem to be friendly and have a genuine concern for fellow students." (Mr. Tobias)

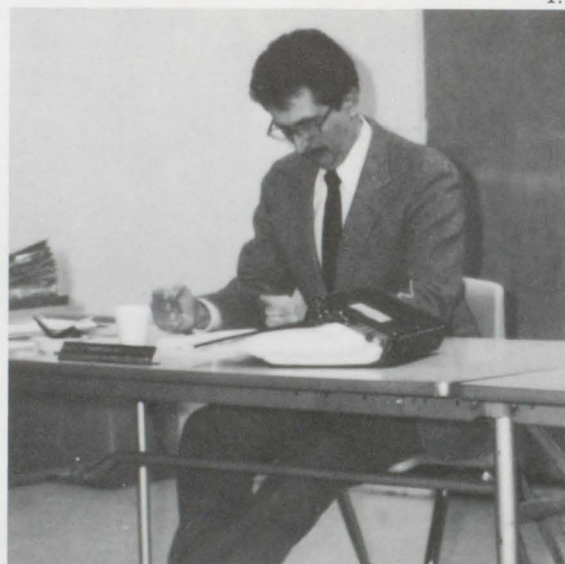

Running the entire district falls on Mr. Caimi, Mr. Hollway and the members of the Board of Education. They faced the frustrating task of trying to deal with the ever changing financial picture.

Another group that provides valuable input is the Parent Advisory Board, active in each school. They give information on parent concerns and their feelings on school policy.

Lovable — Special — they are “teacher’s pets”

Alvin and Daphne are Tabby cats owned by Mrs. Farrell. Both say yes and Alvin loves to weigh himself in the morning while Daphne likes to chase bugs.

Mike, a Samoyed dog owned by Mr. Trumble, looks like a large teddybear. He is excellent with kids. The Samoyed is the ancestor of all dogs.

Jeremiah is an American standard breed dog owned by Mr. Ford. He only knows one trick — to sit up and beg. Jeremiah likes to sleep on the bed and is a bit of a bully.

Daisy and Jake are cats owned by Mr. Weitzel. Daisy doesn't really like people, would rather just sleep and eat. Jake is playful.

Missy Sue is a red Doberman owned by Mrs. Eglinton. Missy Sue is smart, understanding many words. She gets along with everyone except squirrels. Missy Sue also loves to ride in the car with her favorite stop being McDonald's for french fries.

Pepper, a Labrador Retriever, is owned by Mr. Lenore. Pepper is a good hunter who likes kids. He likes to stay by the stove.

Shachi and Ladd are owned by Mrs. Gregg. Shachi is a Lhasa Apsos — a Chinese dog from Tibet. She will sit up for a bone and shake hands. She loves to sleep on the bed and will eat plants when she is mad.

Ladd is part German Shepherd and part Collie. He is a watch dog. His favorite places are in the dining room on his blanket or under the house. He sits up, rolls over and shakes hands.

Warren is a cat owned by Mr. Holmes. Warren has his own room with a bed, TV and a desk. Warren can be snobby and likes to eat dinner with Mr. and Mrs. Holmes. The favorite food is pizza.

Scarf Arlene is a Shepherd and Lab mix dog owned by Ms. Jones. Scarf has her own house with a landscaped yard. She is an honors graduate of obedience school. Scarf likes to watch animal shows on TV. She likes to get Ms. Jones up so she can climb in bed.

Nummer is a grey cockatiel owned by Ms. Jones. Nummer can whistle “Yankee Doodle”, loves eggs and is the first to greet Ms. Jones when she comes home.

Daffodil, a rare yellow parakeet, is the latest addition to the Jones family. She recently chewed the bar out of her cage to escape.

Rover is a lovable, dainty female cat owned by Mr. Jackson. Rover has the distinction of breaking her leg twice. She loves to ride in the car and walks across the headboard of the bed when she wants out.

Winnie is a cock-a-poo owned by Mrs. Hurst. She will sit and beg as long as you tell her. Winnie will also wait for her feet to be wiped before she comes in. She only eats people food.

Giocoso is a Springer Spaniel owned by Mr. Reed. The name is a musical term meaning humorous and playful.

Catherine and Alexandra are gerbils owned by Ms. Broeder. They will turn their food dish over when hungry and love to chew boxes.

Faculty find time involved with hall and cafeteria duty

Throughout the year, we became used to seeing faculty spend time with us in the halls and at lunch. Each morning and each exchange, the halls were filled with teachers watching the happenings.

Beginning in late September, faculty members also found themselves assigned to the cafeteria. Familiar faces that watched us fail 3rd hour tests, now watched us as we inhaled pizza and french fries.

LOOKING BACK - LOOKING AHEAD

1981-1982 was a year of change and upheaval. We lost good friends to tragedy, we saw our lives changed by the cutbacks in the school and the economy. Uncertainty is a key word to describe the aspects of the past year.

The year began with the return of the hostages. Their ordeal became reality as we listened to the story of what actually happened.

President Reagan began his term in office and the conservative trend continued. As the year progressed, budget cutbacks caused radical changes in the lives of the American people. Unemployment continued to grow and uncertainty about the future was a constant worry. Many of our friends left the area for Texas and Florida as the search for jobs continued.

Labor faced a rough year worldwide. Chrysler workers faced concessions to keep the company afloat and in January 1982, G.M. workers provided a historical change in labor management negotiations.

Lech Walesa came to represent a major struggle in Poland. As 1982 closed, dreams of freedom

were stomped in Poland by martial law. Repercussions abound worldwide.

Labor took a major setback with the firing of the air traffic controller. Hard fought gains of the past decade seemed threatened.

Again, the fear of an assassin's bullet struck. Attempts on President Reagan and Pope John Paul shocked the world. The shooting death of Anwar Sadat again brought the reality of today's society home.

Sandra Day O'Connor made the history books as the first woman appointed to the Supreme Court.

America's national pastime . . . baseball . . . took part of the summer off with a national strike.

Again, the Detroit area takes prominence as the Super Bowl came to the Silverdome on January 24, 1982.

Michigan fans packed the Silverdome Nov. 31 and Dec. 1 to see the Rolling Stones on an American tour.

Romance blossomed as America watched Prince Charles marry his Lady Diana on July 29 and soap opera fans watched Luke and Laura marry in November.

On the lighter side, Rubik Cubes and eventually Rubik Cube Smashers abounded. The Preppy look remained with a side light of punk rock in current dress.

ALGONAC OPTIMIST CLUB

Promise Yourself

To be so strong that nothing can disturb your peace of mind.
To talk health, happiness and prosperity to every person you meet.
To make all your friends feel that there is something to them.
To look at the sunny side of everything and make your optimism come true.
To think only of the best, to work only for the best and expect only the best.
To be just as enthusiastic about the success of others as you are about your own.
To forget the mistakes of the past and press on to greater achievement the future.
To wear a cheerful countenance at all times and give every living creature you meet a smile.
To give so much time to the improvement of yourself that you have no time to criticize others.
To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.

Optimist International

Another crazy year for yearbookers comes to an end

Yearbook has been terrific. I've learned a lot about all the work that goes into making a book and I loved it. I'm glad the book is done. — Julie Leenknecht

Being on the Remembrance staff has been quite an experience. I've learned a lot of things about putting a book together. There were times when things were pretty hectic, but we all stuck it out until the end. I can't remember once staying after and not having fun and laughing a lot. I'd like to thank all the people who helped me and made me laugh. I'd also like to thank Ms. Broeder for putting up with all my questions and giving me rides home. We've all had a lot of crazy times and I enjoyed it. — Laury Prior

'82 Remembrance was really a neat experience. It was a lot of hard work and it wasn't easy but when you get that finished book back all the long nights and work pay off. I'd like to thank everyone that worked so hard — thanks for helping me and being there when I needed you. You are all very special. Ms. Broeder is extra special — there would not be a book without her. I couldn't have done it without all her suggestions, support and rides home. I will never forget you crazy people and all the fun. — Karen Stager

Yearbookers,
For all those hours after school
for all the lost "fish" in the pool.
We had a lot of fun, crazy times
It's hard to meet those darn deadlines.
Fun, frustration, friends and frowns
hard workers . . . also crazy clowns.
I wouldn't have missed this memory
'cause you all mean so much to me.
Jet C

'82 Staff: We've really done some crazy stuff this year! Never forget the good times like: questionable staff buttons, life stories, new sections for the back of the yearbook, etc.

Special thanks to those of you who have put so much of your spare time into this book. We've really got something to be proud of here, guys! Can you believe it's finally done!

One more thing, Bruiser, thanks for all the rides home. We all loved the tons of gossip. Good luck always, especially with you know who. — Jenny Williams

To really say thank you is difficult . . . In many ways it was a smooth year and in some ways difficult as we dealt with commitment meaning different things to many people and the weather complicating organized plans all year long.

To each one of you . . . my thanks and a hope that the feeling connected with producing a book will remain with you always. A very special thanks to those of you who were always there and always giving . . . without you we wouldn't have the good memories. — Ms. Broeder

'82 Staff: Well, what can I say? I can't believe this book is finally done, and it's really something to be very proud of. It took a lot of long hours and hard work, but we did it!

I really enjoyed working with you guys — you're all very special to me, and I'll never forget some of the things we've done! All those inside jokes and crazy instances are something to remember!

Thank you, Ms. Broeder, for all of your patience, support, encouragement, putting up with all our craziness, for all the "food", and especially for all the rides home. We never would've made it without you! — Julie Ferrara

SPECIAL RECOGNITION:

— Tim Trumble for designing the cover and artwork in the book.

— Bev Kozel for help with artwork.

— Denise Allen for helping out as a photographer.

— Sue Kurrle, Pam Fett, and Karen Burgess for helping us out with pictures when we were in a tight spot.

— Mr. Ford and Mr. Tobias for always re-arranging things to help us get the book done.

— Faculty members who understood the need for no counts.

— Parents who accepted the many, many, many late nights.

— The office staff for helping with the xerox and encouragement.

— Kevin Batchelder for always helping out whenever we needed a favor or picture.

— all of the staff at Craine Williams, but especially Pam and Jan for listening to the millions of questions, requests, etc, our staff of photogs: Gene, Gary, Steve, Tim, Earl and Dave for capturing some of our memories on film, the super efficient darkroom for always keeping us in pictures, and Frank Ortman for providing instruction, encouragement and for pulling us out of tight spots by cutting red tape.

— Sam Slis and the staff at Taylor for answering the million questions and keeping us going when things seemed to be getting rough.

— and finally . . . to all the students who enjoyed our candy all year, particularly the Reading Lab who kept our sales going.
